~**High School Youth Group will be going snow tubing Saturday, January 28th. Pick up flyers at the youth office and fill out both permission slip forms. Bring a friend!!!**

Middle School: Apologies for the late cancellation last Monday because of snow.

~ "The Saints Go Marching In!" Remember when you used to have imaginary friends as a child? Well, now you can have grown-up friends who you can relate to and tell them everything that you're going through - and they are REAL PEOPLE! Imagine that. Come to Middle School Youth Group this Monday 7:00-8:30pm. You can bring friends also!

As many of you know, our prayer chains are alive and well right now, kept busy with prayers for friends, family and loved ones who are in the throes of injury, illness or death. Those who have requested prayers are always grateful for them and at times, have responded with thanks for prayers answered.

Any parishioner who is not already a prayer warrior and would like to join us in petitioning Our Lord for His healing grace on behalf of others is welcome to call me for placement on the list. You can opt to receive the prayer request either by telephone or email.

Jesus wants our prayers and has promised to listen to them.

Blessings,
Fran Vanderzanden, Regent
