Building strong families & character
2012-2013
School Year

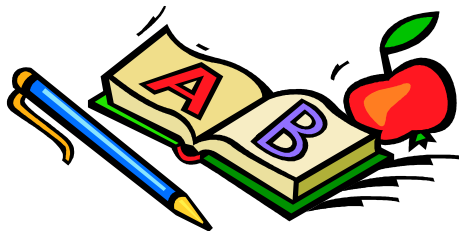

Our school's dedication to Parents & children:

1. We maintain a low student to teacher ratio - allowing more one on one with child and teacher.
2. Structured learning that still allows us to follow a child's lead.
3. We encourage each child's imagination and curiosity with learning.
4. Bible lessons that teach respect of parents, teachers, and classmates.
5. Healthy snacks.
